

INDUSTRIAL BENEFITS

Power Plants • Refineries • Chemical Plants • Mining

High Waste Ponds

Wastewater Ponds

Evaporation Ponds

Salt Ponds

Tailing Ponds

Cooling Ponds

Cooling Lakes

Makeup Water Ponds

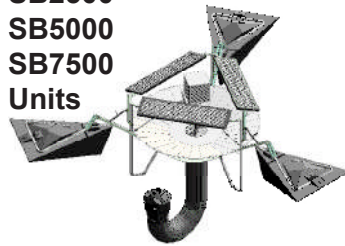

Stormwater Collection Ponds

and solve water quality problems!!

- Control blue-green algae blooms without chemicals
- Improve dissolved oxygen levels • Improve water quality
- Prevent odors • Provide odor cap • Prevent H₂S buildup
- Increase chemical volatilization • Reduce salt / chemical gradients
- Increase or decrease evaporation (dependent on deployment)
